“ *I have very fond memories of Aunt Gloria. She and I would talk for hours on the phone about our animals. She loved her dogs very much and they were a great comfort to her. I remember going to her house when I was very small and she would let me pet her horse. That started my love for horses and I have raised horses for the past 30 years. And, of course, her laughter. It was so infectious. She made everyone feel happy that was around her. Rest in peace, Aunt Gloria.....I will miss you.*

“ My Aunt Gloria was my only "real" aunt. My Mom does not have any brothers or sisters. Even though she lived far away in Indiana, I have always had such special feelings for her. One of the things that made me happiest as a child was when my parents would say "We're going to Indiana for a week this summer and we're staying with Aunt Gloria." Yippee!! I loved playing with my cousins and I loved being in Gloria's house. She was always so warm and welcoming. And...she made the best fried chicken ever!! She and my Mom Maxine had a special relationship and they spoke on the phone about twice a month throughout their lives. When we would visit Huntington during those summers, my Mom and Gloria always shared some private jokes that none of us really understood, but the sharing of those jokes always brought peals of laughter from both of them. The last time I saw Gloria was when she and Missie came to Sioux Falls to surprise my Mom for her 80th birthday party. I dropped them off at Lewis Drug, where she worked, and Gloria snuck up behind her and said "Excuse me, but can you tell me where I can find my sister-in-law?" The following few days were so much fun as we got caught up. Thanks, Gloria, for enriching my life and for always making me feel special and welcome. You were a blessing to so many people.

“ We loved our Aunt Gloria very much and she will be missed. We spoke often on the phone and it was never a dull conversation. She spoke her mind and you never had to wonder what she was thinking. Our conversations always were fun followed by a lot of laughter. The laughter usually continued after the phone call ended. There was always good sisterly love between my Aunt and her brother (my father Carl Wilson). She immensely enjoyed teasing him. When we would get together she could hardly wait to pounce on him. She would say to Pat (my wife), “watch this” sure enough the fireworks would start and Dad would always say “that is not the way I remember it” Aunt Gloria was one of a kind and as I told her once she was my favorite Aunt.

“ I have a lot of fond memories of my Aunt Gloria. One that comes to mind is the love between my Dad and his sister. When we visited at Thanksgiving I remember one time seeing them chasing each other and wrestling on the floor like kids. I wish I could list all the fun times we had as kids in Indiana. I loved Aunt Gloria very much and she will never be forgotten.
