“ Marsha and I wish to express our sorrow at the loss of Diana. A part of the family is missing now. I am sure little sis is looking down from the heavens with mom by her side, in peace.

“ I was a classmate of Diana and remember her well from our time together at Northwest Elementary School. I recall her to be one of the sweetest people in the class. I had a lot of trouble in those years and she was a person I could always count on for a smile and a kind word. I thought of her recently when I visited Northwest just before it closed. I had lost track of her (and a lot of other classmates) and I wondered where life had taken her. I am sorry I wasn't able to tell her in some way that her kindness in those early years meant a lot to me. I am sorry for your loss.

“ Dee was such a kind and loving cousin. I fondly remember the times she and the family came to visit when we were younger and the times we visited Indiana. We used to write each other letters often.

She is gone too soon. May she rest in peace!

Hugs and kisses,

Lisa

“ So sad, Diana was very special to our family, she spoiled my kids as they were growing up. And always was making some kind of goodies for us. I remember one time we were standing around talking at Utec and our supervisor came and said “I will take 3 pies” Diana looks at me and says Just cause I’m heavy don’t mean I can cook But she was a great cook of sweets loved her fudge. She was a very special person to me. She loved her family prayers being sent their way, she loved them dearly. RIH

“ We will miss Diana, she was a beautiful person and a great person to work with. I'll never forget her Love for family and friends and The Rock -Dwayne Johnson. She had to tell me who he was a boxer or a wrestler and a actor. I'm sure she had all his movies. She would always say That Was Her Man and this will be how I remember Diana.

Rest In Peace Diana until we all see each other on the other side
