“ Cathy and family

I have been gone from Huntington for a long long time but the memories of hanging around your parents house are as fresh as if they were yesterday. I am very sorry for your loss and wish I could be there in person. I am not what would have surprised your mom more, the fact that I am an executive at IBM or that I own a 15 acre horse farm in South Carolina. I will drop by the next time I am in town to pay my respects in person.
