I always enjoyed talking with your mom. The one thing I most remember about your mom was her smile that would lit up her face to go along with that sparkle in her eyes.

You are in my thoughts and prayers.

“ As a young couple just getting started together 60 years ago, Shelby and I cherished the time we spent with Aunt Aileen and Uncle Russ chatting, eating, playing pinocle and eucre and just enjoying family and companionship and life. We have always felt comfortable and welcome and loved by Aunt Aileen and her family. We watched Kathy and Joanne mature and reflect the values installed by Aileen and Russ. It has been beautiful and a fun and important time in our lives. We moved away first to Seattle and then New Orleans but returned at least yearly to continue to enjoy the love and good times and feelings. Our deepest sympathy and condolences to the family. We share your grief and also your memories of the good times we spent together.
Love, Bill and Shelby Jennings
