“ Phil and Carol Ann Pattengale in Sturgis, Michigan send our prayers to the family as we remember our friend, Al ! Yes, he was an avid bicyclist! He joined us on our annual trips in the early 1990's to Georgia in March to ride our bicycles and eat fresh strawberries! He was always ready to go on a bike ride!

“ Al and Cindy have been a great support to me over the last couple of years and I am so blessed to have had them both in my life. Al was truly a kind man who gave good advice just at the right time! I could always count on him to be upbeat and ready when I gave him the latest update in my life. I enjoyed making him and Cindy laugh with my latest because it lit up his whole face. I have never seen a better example of a good marriage than the Hahns. Al truly was a great man who enjoyed his life and I will miss him.

“ Condolences to Cindy and the families for the sudden loss of Alan. He was a memorable man and helpful in so many ways. He and Cindy gave me a propane grill for my retirement party in '99. The next day, they put it together and threw a full fresh tank of propane on it. It worked great for many years. We have also had the pleasure of camping together, attending a K-Wings hockey game in Kalamazoo together and learning new board or card games from them. Alan knew a lot about a lot. I'm not sure why a Michigan bred man would ever root for that school in Ohio, tho'. Our last time together was at a bar in Colon on a football Saturday after a funeral service. OSU trimmed our beloved Michigan State Univ. when the outcome was known at halftime. There were a lot of shouts of OH -- IO from Alan and Cindy. You can guess who was the loudest. You will certainly be missed, our friend.

“ My heart is broken, Al was such a special and vibrant person, I remember the first day I met him. He was starting a new job here and came into Poffs Place to eat, we all introduced ourselves and the friendship began, and when Cindy came down we knew we had two new best friends, Thanks for the memories Al , you were loved so much.

“ I knew Alan for many years and he was a kind and gentle soul, who also had an adventurous spirit. We shared many bicycle, white water, and camping trips. He was always the strong and dependable one. I also shared many years of loving Rachel, whom Alan was the very proud father of. Alan will leave a whole in many lives, but I know he is serving the Lord and has that ever-present smile. Blessings to the whole family. Kathleen Yeckley
