That was lovely. I remember that beautiful family years ago when Mark, Marla, Marty, and Mikey were young. I am so very sorry for your loss. Your dad was pretty cool and funny, but not as funny as your mom! Praying for the family in this very sad time. My deepest sympathies and much love to you all.

“ I am very sorry for your loss.
I remember playing cards with Al at the Sulky Restaurant a lot. I remember driving him home from there one time in my dune buggy. I drove right up the hill in the grass to the house and Al laughed all the way there. He was so much fun to be around. He was a big inspiration to me and he gave me many memories. He will be missed.

“ Deepest Sympathy from George and Judith Mower- George went to Rock Creek School but graduated in 1959. Alan and I spent a lot of time together.

We enlisted in the Army on the Buddy Plan, after the basic time, we parted ways, thanks to the military

We married around the same time, departed service in the same month, still saw him and Bonnie often. Hope the family will be o k, this from a good friend.
