“ Sorry to hear of the loss of Angie. She was a good family friend as her dad Bob and my dad Mike were high school buddies and played a lot of hoops together in high school. She and I had a lot of fun as kids. Sorry for the loss. Sucks.

“ I am so sorry to learn of Angie's passing... she was always so much fun to be around. Lots of memories when we were young, for sure. My mom and dad just called me to let me know, I am sorry that I missed the memorial, I would have liked to have been there to give me condolences in person. It's the little things, the small, everyday occurrences that you'll remember. The laughs, the stories, the smiles. And even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles. May the love of the people around you help you through your pain. You can count on us for anything you need.

Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow.

We are thinking of you (and I have missed you, Natalie). Please know that our thoughts and prayers are with all of you in this time of mourning. If there is anything that we can do to help, please reach out and let us know. We are still in Fort Wayne so just a phone call away. :)
