“It has been way too many years, but I have fond memories of all the cousins playing together and running around like crazy. I hear of the love she held for her family and know that she will always watch over her loved ones. I am sure Anna is catching up with Aunt Kathy and all our departed family. Our love and prayers are with all the family. God Bless you and know that your family in Ohio has always and will continue to always pray for you!”

We didn't really talk much as adults, but you were one of my first friends when I transferred to Horace Mann in elementary. You were always kind. It's sad to hear you are gone, but I'm thankful you are not hurting anymore. R.I.P
