“ *My heart is with Arties family on this day of mourning. Kathy, Patty, Margie and Shortie, although it has been a lifetime since we have seen one another I carry you all with so much love and tenderness.*

I remember one time when we were kids, we all decided to have an impromptu baseball game in our side yard. I was pitching and Artie was up to bat. (Remember that he was an excellent baseball player!) He hit that ball and it zoomed by within a fraction of an inch of my head at something like a million miles an hour!!!! He decided that when he was up to bat we would use a wiffle ball to assure there were no injuries. I used to be so proud that I knew him as he was such a good looking young man, quite the jock and always kind to me, even tho I was just a kid to him. I also remember that we always called him Rene (sp).

You all enriched my childhood so much. I am sorry that you have lost your brother and son.

My condolences. Gail
