“ I'm so sorry David & Terry,
My Aunt Eva
I have many good memories as a kid, mostly at family gatherings at
Grandma Buzzards.
She was such a kind and caring person. Her special smile that was
always there when I would see her, I can still see so clearly. She
always made you feel comfortable and good about your self.
You will be missed by many.

“ Seems as though it was just yesterday we were watching Tom & Jerry. Seems as though it was just yesterday I was eating chicken noodle soup through a straw. I would give the world to give you one more hug, to hear your laughter one more time, to see your bright and shiny smile. You were the best Grandma anyone could ever ask for. You're in a better place now, and I can't wait to see you smiling at the pearly gates. I love you Grandma Ava.

“ It is with very sad hearts that we say goodbye here on earth to this most precious, mom, grandma, great grandma, and family member. Ava lived her life for the Lord and guided her family in this direction always. We know your new journey in heaven will be filled with joy and excitement being with others you loved so much who have gone before you! We love you so much and will miss you every day until we also see you again in heaven. Sing and dance with the angels like no one else!

Ava was such a nice lady. I enjoyed our visits and sharing about our kids. She loved her family and her last days were difficult. But she had her faith and that is what she depended on. Ave u will be greatly missed by all who have known u and loved you. Sincerely yours dear friend, Dee.
