“ I worked with Barb for many years at United Tech. Through the years I wondered what ever happened to her after working for all those years. You were a great friend and we had a lot of fun working together.

Barb was a very good friend of mine we were going places together all the time. I worked with her for over 35 yrs. She would come up to my house on Saturday mornings and we would go for breakfast and then we would sit on the porch and visit for hrs. I visited her in the nursing home till February and then I couldn't get in to see her. But I have thought about her often and I will miss her dearly.

I had the pleasure of meeting Barb last year when I was in rehab at Miller's Merry Manor. We sat at the table together in the dining room along with a couple of other ladies. She was so friendly and we had some really good laughs together. Her sons and grandson were there often and she was so proud of them. She will be missed. Rest in Jesus, Barb.
