“ I am here online to express my sympathy to the family of Barb. I got to come home in August and had a nice afternoon visit with her, i am so glad I looked her up while I was home and got to see her. We talked about old times and people we knew at the business. I worked for Barb and Glenn for about 13yrs and we had a lot of heart to heart talks about everything and anything. I got very close to the both of them and miss them dearly. I am so glad they was a part of my life and I got to know them both. She missed Glenn so badly she told me while I was there at her place visiting and now she is in peace with him and I know the two of them are together in spirit and happy to be together again. Peace be with them both and I know they will be missed by all who knew them.
