“ *my mother taught me so much. she always said do unto others as u would want done unto u. worrying is like a rocking chair it gives you something to do but wont get you anywhere. she was a simple woman who was rich with family and friends. she will live on in our hearts and our memories. i still will miss her everyday.*

“ I wish I could be there to say goodbye. Berniece meant so much to me. I met her when I was five yrs old when she started working wit my mom at the shelter. I loved her so much i thought of her as my grandma and called her so even tho she used to say I'm not eceb that much older than your mom lol. She taught me so much from how to play every card game imaginable to how to drive and that the only way to drink a pop is in a Styrofoam cup wit lots of ice. I used to love going to her family get togethers every yr at betty n bobs at the patch. I love hay rides :) I know now my mom is rejoicing that she has her best friend in heaven now. I know they are playing cards already! I love you grandma berniece gone but never forgotten you will always be In my heart!

“ There was never a time that Berniece didn't wear a smile. She was such a giving and caring person all around. There are many memories I will carry about my dear friend but none so great as the fact we were sisters in the Lord. Rest in the arms of Jesus my friend, shout on the hills for me.. and someday soon we will meet again. All my love to the family.
