“ *To all of Betty's children,
She was the best neighbor we could have ever had. She was so kind, caring and had lots of good advice for this young mother of 3 way back when we lived on First Street . I admired her grit, her work ethic and how much she did to be a strong loving mother to all of you sometimes all by herself. You have been so blessed to have had her all 90 years. Cherish your memories and know that we are sad for you and your loss. Her love can never be replaced. She was the BEST at who she was.*
