“ I could talk for quite a while telling stories of this Uncle! Upon discovery of his cancer a fund raiser was held at our beloved Andrews Kermit's. At the fund raiser he asked me when I was going to start dating again. I was frustrated at the question because I received alot of pressure over the topic but it was him and this remark that got me out of my shell and ready to just try to believe in Love. God Always takes the good ones early. May my beautiful Uncle, My Dad's baby Brother r.i.p.
