“ Jackie, We are so sorry to learn of the loss of your precious little boy Brayden. God Blessed you with him for the time he was here on this earth. You have the memories to cherish that no one can take away. You will be in our prayers. Brayden was quite a little trooper and endured so much. We wanted to be there with you today but the icy weather kept us home. We love you!! Aunt Renee', Uncle Tony, & Family

“ *Brayden always enjoyed the water, and being outside.... Last Summer we took him to the lake and he sat in the water and was so excited splashing away, while every couple minutes he would plant his face under the water and then giggle.... That is a memory I will never forget!!*
