“ There's that smile. A year behind me in high school, I recall Brent always had that smile on his face and was, to me, a kind and caring high school student. From all accounts I have heard over the years and in the past few days, these great qualities never changed. I was sad to hear the news but know there is greater grief being felt by his family and loved ones. My prayers are for you all to heal and to remember this kind and caring man with the never waning smile.
