*o Do not stand at my grave and weep
I am not there, I do not sleep
I am a 1,000 winds that blow
I am the diamond glints on snow
I am the sun on ripened grain
I am the gentle autumn rain
When you awaken in the morning's hush
I am the swift uplifting rush
Of quiet birds in circled light
I am the soft star that shines at night
Do not stand at my grave and cry
I am not there; I did not die.

“ The last time I saw Brett was like countless times before, hanging at the Regan's... We talked a little politics, traded new music/movie recommendations, and shared expensive cigars, a few beers, and a lot of laughs...I'm grateful for all those memories, and I will miss my friend. My heartfelt condolences go out to his family, and all those who knew and loved him.
