“ *Brian never failed to offer me a seat or cold beer on his deck at the campground. I'll never forget when he shaved last year and I barely recognized him. He was always there for a good conversation. I'm so glad I took the time to take him up on his offer on a Sunday at the end of the year to have that beer with him on the deck. Well, I think I had many ;)*

I know he loved his family, friends and was a true Patriot.

He is with God now and you will see signs of him watching over you. You can bet he will let you know he is around in spirit!

I'm so sorry for your family's loss. You all have a special bond that many families don't. God Bless you all!

“ *Brian was more than a friend to us, he was a part of the family, maybe not by blood but by the bond we all shared with him. Some of our best times with him were spent playing cards and drinking beer. I know we all gave him crap for his quick knocking, but I sure would love to be able to hear it again. He was truly an all around good person and the best friend anyone could ask for. He will be greatly missed by not only our family, but by everyone who had the privilege of knowing him. I will miss my old drinkin buddy, don't know if I can find another one to keep up. I know there are those of you who will understand this memory. He will always be in our hearts. Safe travels driver.*
