“ *To the family,
Thanks, Gary, for returning my call. Karen and Karla, as I shared
with Gary, we have such good memories working with your parents
while we were pastoring at EUM, 1978-81. Both of your parents
were class people; positive, supportive, and interested in the best
for everyone. You are blessed to have grown up in their home. Our
best wishes to all of you and your families during this time of grief
and in the future.
