“ Thought of you today, can't believe it's really true, got the phone call last Wednesday and thought it was just some sick joke, then my phone started ringing off the hook with people calling and asking if I knew, I had just seen you not that long ago, and didn't want to believe it was true... So many memories, can't pick just one to share, but we will all love you and will miss you every day, And we will see each other again, anyone who knew you should feel truly blessed... Love ya and rest in peace.... Brenda and Mike I am so sorry for your tragic losses within such a short amount of time, I love you both, you both are great people!!!
