“ So sorry to read of this young man passing so unexpectedly. My heart goes out to you. We lost our great-nephew last September in the same way there in Huntington at 9 & 24. We know the shock and hurt that comes with such a tragedy. May God give you peace, and hope. Such a tragedy. :-(

“ My son. I don't know where to begin. I have lost all three of my children. You have left behind an unborn daughter that you will never be able to know. But no worries. Momma honey badger will make sure she tells Grace about you. Sami and I got this. Just watch over us. I know you are with your big brother and little sister. I will forever live and miss you. My heart will never heal. I love you baby boy honey badger. Till I see you again
