“ My heart is so sad to hear the news about Carl. So many good memories about being around your family as we grew up. The first thing that comes to mind is that anytime we saw Carl or your Mom they always had a big smile on their face. I do rejoice with you knowing that he is in the presence of the Lord. I knew he was a godly man not so much by his words but by his actions. He walked the walk. My love, hugs and prayers for your mom and you all!
