“ He had the strongest handshake to have ever gripped a hand.....other than that of my late father who he was always so kind and generous. He was a wonderful man with a big personality....I remember how he loved to garden.

“ To Carl's kids, especially Rick. I really liked your Dad. He and I had many enjoyfull times. In all the dealings I had with him I always felt I was treated great. He was a special man that knew the working of a machine better than many other people. I have missed him for a long time. Max Warner.
