“ Carl, Rick and Louann,
I am so sorry for the loss of your wife and mother. She will always hold a special place in my heart. I always enjoyed waiting on her at National City Bank. I was a single Mom and would always comment how good she smelled. One day out of the clear blue , she came in and handed me a bottle of Red Door perfume.....I will never ever forget that act of random kindness. She was a good person and will be greatly missed. It is hard to loose a loved one...just enjoy all the good memories. You are in my thoughts and prayers.
