“ Carol and I were first cousins. As an only child living in NY state, I loved my visits to Indiana and visiting all my cousins! We were always busy playing outside or running around inside the house being chased by John. The food was always delicious! We had fun at our aunt and uncle's farm in Huntington too. All wonderful memories and I was sad to leave.. RIP Carol

“ I have many happy memories of our friendship. Carol and I were friends all through high school. Lived together for a few months, before I got married and was one of my bridesmaids. We shared a lot of fun and teenage time together. Carol and I stayed with John & Phyllis in Oklahoma just a few weeks before Doug and I got married in 1976.

We lost touch with one another over the last 10 years. I believe the last time I saw her in Huntington was at an auction. She then came out to our home in Whitley county with her nephew for the afternoon.

I hold my memories of Carol close in heart. May she rest in peace in God's loving hands.
