“ My family lived next to Solloways when us kids were born. I grew up in awe of Carol Ann. She was the teenager, the cheerleader, that the younger girls looked up to. Later, she was one of the nurses that influenced me to consider nursing. I, too, graduated from Huntington Township High school, and then graduated from nursing school. I have been working as a registered nurse since 1966. That was at least partly due to her influence. Kathleen Penn Harley (Wichita, Kansas)

“ Tina, I always held your Mother in the highest regard. She was one of the most compassionate, trustworthy and delightful women I have ever known. Her sense of humor in daily challenges at work at Miller's and her infinite love for all those around her and the love of her children, which she talked of often, was the hallmark of her life. I feel blessed that I had the opportunity to become acquainted with her. Please be assured of my prayer for your family in the coming days and months ahead. Shirley Lightner

“ Tina, I can remember working at Millers Merry Manor with your mom, she was one of the best nurses around, and I know she was very proud having you as her daughter and knowing you too are one of the best nurses....I was lucky to work with two of the best and I learned a lot from both of you. I'm glad to know that she is at peace now, she deserves to rest in peace.
