“ One reason we decided to move to Warren was because Wayne and Carolyn were here. Our kids grew up together except you boys were a little older than our girls. But anyway we attended Bethel and had fun at the Easter Egg hunts.

*With the virus we will not be attending the service, but our thoughts and prayers are with you.*

*Your parents are together now.*

*God Bless,*

“ To her kids/in-laws: We apologize we don't have last names/addresses for you or we'd send a card. You all were so good to Carolyn and Wayne and we remember how you stayed with them at the end of their time in the villas and got everything wrapped up for them. How wonderful you were to them! Carolyn's sister also was a blessing taking food to them and was there for Carolyn in Huntington at the nursing home.

Mike and I (Lennis) Ternet were their neighbors across the street from them in the villas in Warren. They were the BEST and nicest neighbors!!

We pray Carolyn did not suffer and now she can be with Wayne. So sad for us they are gone but happy for them to be together again.
