Carolyn was a good friend. I always loved running into her. We could talk forever. Now she is with Mary Johnson. I bet they are up there just laughing and cutting up. I always had such a good time when I would sit and talk to these two women. Loose all track of time. RIP my sweet friend.

“ I was a teenager when I met Carolyn. I worked at Triad Utrad... 1978-1980. She was one of the sweetest Supervisors. She was always calm and and never made you feel like you were ever below her. Always had a warm smile. I saw her a couple years ago and stopped to say hello. She remembered me after all those years. She hugged me and we talked awhile. Carolyn thank you for always making me feel special... may you Rest In Peace. 🌹🌹 I'll never forget you!
