“ Dear, dear friends! How precious are the memories of the time we shared many years ago. Time has erased a lot, but the SPECIAL people in our lives will always be there!! Kathy was always lively and fun! And so very thoughtful. Our girls were pretty little during those years. But when I asked them if they remembered her, they said "yes! AmishCookies, Beer Bread and Kathys Cheese Spread!" Haha! She would laugh at that!!

You are all in our thoughts and Prayers. We were all Blessed to share those special times!!

“ I knew her well. We graduated together, after the consolidation. I am so very sorry for your loss. I grew up in Andrews, and so wish that I had known she lived in Andrews, I would have looked her up.
