“ I have wonderful memories of Cathy and the Spotts family in the late 1960's in Huntington. My best friends were her brothers (John, Tim, and Mike) and I always remember kidding Cathy on how hard it was to be an only daughter with so many brothers. Obviously she prospered well, and I wish to express my condolences to her family. God bless her and may she rest in peace. John, Tim, and Mike, I miss the times we shared (1964-1968) and wish you all the best! Tim and I graduated from HCHS in 1968. Whenever I visit Huntington, I drive past Olinger Street and remember Cathy and the boys sitting on the front porch smiling...a great family!
