“ *Terry Denton. No words can express what your family is going
through. We are not to see our children go before we do. It's been
been a little over a year since we lost Nathan at a young age. There
are not days that we don't think about our loss of a son. Just
remember the good times you shared with Chad. It helps give some
comfort. We will keep you guys in and prayers and thoughts. Be
safe and well.*

“ Chad was my uncle... although we never really seen each other, whenever we went to family barbeques, he would always be fun, and bubbly. His personality was simply the best... i will forever miss him, and i will take how he died to heart and think twice about my thoughts and actions, cause now i know how much they will actually affect others. He was the best uncle anyone could ask for. I miss you so much and i love you so much.. rest well and in peace.
