“ Chad's been gone a month now. I think of him often and was just remembering how he came to my house last year for the holidays, and how excited he was to have met his son, Alex. I can see his face all lit up, just like he is standing right here and showing me pictures on his computer. (Sister Manda)

“ I'm Chad's aunt Linda Harris (Pressler).It's been a sad time for me these past days. Chad has always been in my heart, always praying for him for a good life he well deserved. I read almost all of the comments posted here. After looking at his family tree where Manda posted, Manda left out one other son who passed away right after birth. Michele Pressler who would have been the oldest.

“ Gail & Manda, I just found out about Chad last night while catching up on the last few TABS. I'm soooooo sorry to hear of your loss. It's been almost 25 years since I've seen him. He was a beautiful child then and became such a handsome man. I'm sorry he left too soon. You're in my thoughts and prayers. Hugs, Pat
