“ *Charlie was a wonderful man. I met him when my dad was the transportation director. When dad realized that Charlie was the bus driver taking my kids to school he said don't ever worry. Charlie will take care of them and he did. I remember the time he drove the bus to Thornehill nature reserve and my daughter twisted her ankle. Charlie carried her to the bus, drove her to our front door and then carried her to the door. He didn't have to do that, that's just the kind of man he was. My family sends our thoughts and prayers to you and yours. Amy (Armstrong) Vickery*

“ *Dear Charlotte and Family,  
I was so sad to see that Charlie is now in God's hands literally. What a wonderful man he was.! He was my Peotone,ESS Bus driver with always 2 little first graders on board and he did that all day long till all my first graders were transported between Huntington Catholic and Crestview. He always was so friendly and always had that wonderful attitude even when he wasn't feeling so great. I loved running into him. God is saying to him " Well done good and faithful servant" God bless you all as you go on your journey without him. Saying his name just brings a smile to me.

“ Charlotte and family. I have been wondering how you are doing and had you on my mind today. I read this on Facebook and thought of you and your family immediately. I am so sorry to hear about your loss. Charlie was a wonderful man and I only met him being on jury duty with him quite a few years back. You will be in my thoughts and prayers, and if you need anything, anything just call. I am not getting around too well right now. Had a hip replacement 2 weeks ago, but my hubby and I will help and are close by. Thinking of you and your family and will keep you in my prayers.....Love. Joellen and Tim Maranda 🥰🥰🥰. Prayers for strength for you all!
