“ One of my memories of Charlie was when he did the March of Dimes Walkathon with Brian and myself. Brian and I tried to keep up with him, but to no avale. Choo Choo Charlie, as we named him during that walk, was gone in a flash, and we were left in his wake. When Brian and I finally crawled to the finish line, Charlie looked like he could walk another 12 miles easy. You were a great father and friend Charlie, We'll all miss ya.

“ Tammy, John, Jason and Brian and families, Words cannot express the sadness I felt when I read that Charlie had passed away. He was my boss for many years at Magnetek and he was one of the best! He has finally went to be with LouAnn, who he loved so much and took her passing so hard. They were quite a pair those two! I have many fond memories of working with them both for many years. I saw him about a month ago at Nick's Country Cafe for lunch, it was good to see him. He looked really good and I was glad he was doing well. It was a shock to see he passed away. I knew he had been ill but did not know to what extent. My thoughts prayers are with you all. I know LouAnn met him with open arms and a big smile. He will be missed! Susan Herring

I remember when Charlie came with the kids to Grama Lois's snowball Christmas and she had gifts rolled in tissue paper like a big snowball. When it was your turn you unrolled the tissue paper and got whatever gift was there. Poor Charlie had more nail files and make up bags then he could use!!!! We all had a good laugh! We love you Charlie and will miss you! Enjoy your new life with our Heavenly Father, rest in peace.

“ I looked forward to the times when Charles and the kids, along with his sisters and their kids, would come in so that we could all visit, us kids could play, and we could all just be together! I loved it when Charles got started talking about the old days with mom and dad, cause I could listen to those stories forever. More recently, Charles had done a lot of work on our genealogy, and he was wonderful at that. I will always treasure my copy of everything that he emailed me about our families! Love you Charles. Rest now, Angel!
