“ I am sad to learn of Chuck's passing away. We were childhood friends, neighbors and classmates in Andrews, Indiana. I am very proud of his productive careers (very similar to mine). We played together, teased each other too, but always remained friends. We moved to the North side of Andrews and lived very close to the Primmer family on Colorado Street. Suzanne was also in our class. God Bless you all... Rodger (Roddy) Smith, retired Army and retired VA nurse and a Christian pastor, "by the grace of God." p.s. I could be wrong about Chuck also being in our class, but i think so. I think that i am right about Suzanne? Remember Ollie Reemer, the Grays and Bud & Marie Beeks???

“ So sorry to learn of your loss. He came to church when we were young with Charles and Cary Kelsey. It is sad to loose childhood friends.

“ *Uncle Chuck I will forever remember our pizza making in Germany. You always gave me the easiest job to do.....except I could never figure out how to work a darn can opener so you'd end up having to do it for me! (I've finally mastered using a can opener) We loved visiting you and the kids and it was the highlight of our summers when we were kids. You will forever be in my heart and my memories.*

Aunt Sue, Sandy, Chucky, Hidi, Dawn, Nathan, and all the grandkids - I wish I could give you a hug and be there to help and support you. I am sending all my love. Please let me know if there is anything you need.
