“ Dad, you may have not been my biological dad but you were there for me when i was born. You treated me like one of your own. I wish i could of seen you at least another day. But you was wanted in such a better place. 40 was to young to die. Your jokes, your smile, and the love you showed will be missed each day. I couldn't ask for such a good dad that keep me in line everyday. Who showed me right from wrong. You were such a loved father. RIP

“ *To be honest... I did not know Chris... I know his sister April, his nephew Jamie and niece Sara... I also know of Polly and Louie his parents, when they lived in the Horseman Apts. My prays goes out to this family... may God send a comfort angel by their side in this time. Lord please remind them that You are in control... and even in this time You loved Chris enough to heal him completely.... he is healed and in your presences. amen*

“ *So sorry to hear the news about Chris. I knew him from working at Hiners with me ex. He always came to Johnson's and without saying, gave all of us girls a hard time, but always left us laughing. Chris was rotten to the bone, but very much a people person with a little attitude. Sorry his life ended so young, sometimes we wonder why. However God must have needed someone to entertain in heaven and he picked the best to do that. Thoughts and prayers for the family, through this rough time. May God Bless. Kim*

You was always there when needed, including my Grandpa Covey's and Uncle Shane's funeral a few weeks ago. I remember you always coming over and calling Bridget "Beep Beep", that was the greatest. You will be missed but never forgotten. Will always remember the greatest times together. Will love, Tabitha <3
