“ I worked with Clarence at lear. He had his ups and downs like any of us did. He was a super sweet guy. When I worked at family dollar he use to come in and see me till he got bad and couldn't I then became close to his sister Brenda she would always tell me how he was doing. She is such a strong woman to take care of two brothers. I do miss seeing her. Stay strong my friend.

“ I never met Clarence, but through Brenda, I feel as if I know him, she loved him more than her own life, there is nothing on this planet she would not do for Clarence or Danny, she is a loving sister, and took the best of care that she could of Clarence and she will miss him dearly. Keeping her in my thoughts and prayers during this difficult time.
