“ Here is the rest of the story that was CUT OFF! =) Good to see you today! =):
It was much harder to TYPE this story than what I thought it would be! I have been sitting here crying and laughing and all of the other emotions you can think of.... lol I NEVER forget the awesome thing people do for me....Even the little things.... Like all the hugs I received at the FUNERAL! It meant a lot to me guys! I WILL NEVER FORGET the hugs I RECEIVED and I WILL NEVER FORGET how COLIN REACHED out to me and was a 100% loyal friend who without a doubt respected me, and showed me a TON OF LOVE and would do anything for me! I LOVE YOU COLIN! I WILL NEVER FORGET YOU and I WILL forever have a Hole in my heart that formed the minute you left us!

“ Ok..... Well let me start with the story that I have pretty much told all of you personally over the last few days..... It involves what my CLOSET is and has been full of for the last 19 years because of Colin..... And that would be my closet full of SILVER TAB JEANS!
=)

Well we were partying at the Martinez house in the, "Back Room"! I had decent clothes, but wasn't too proud of my clothes.....As skinny as I am my mother for some reason would buy me these TIGHT LEVI jeans.....lol I was never comfortable in them...I also had a pair of LEE'S that were frosted but had a big blue streak down the side.....Remember those jeans that were called, "frosted Jeans"? I THINK THAT IS WHAT THEY WERE CALLED! Anyways a couple of weekends in a row Colin was being himself cracking jokes on my jeans.....He almost had me crying at one point....I had to step outside and kinda distance myself from him one night because he was getting so bad..... Not that I was mad.....I was just about ready to break down in tears.....This only lasted an hour....and then I could deal with it again...It was just this one night he got me pretty bad.....The he teased me a couple more weekends after that but I was mad or hurt or anything.....It wasn't a big deal to me at all...He didn't get out of hand....

Then one weekend it was just me and him after everyone had left.....He said dude we need to give you a makeover.....I will show you what to wear..... I will give you some of my clothes and go shopping with you so you can make more..... Well the next Friday night He had me over at his house and he gave me like 5 pairs of SILVERTAB jeans, and a whole bunch of shirts! He showed me how to wear undershirts with a nice button up shirt..... Wouldn't you know it...We wore the EXACT JEAN SIZE and shirt size! I thanked him and I was in tears! He assured me that he would ALWAYS have my back and he was one of my best friends and he really liked me!!! It was also pretty cool how my parents and his parents are really good friends and how cool it was to have parents that are friends.....

Anyways...Let me just say I still wear my clothes the way he taught me to that night with just a few slight modifications! I still wear

NOTHING but SILVERTAB JEANS..... I REFUSE to wear anything but SILVER TAB JEANS! I have returned Christmas gifts that werent SILVER TAB JEANS! lol But my whole family knows better then to get me anything but SILVERTABS!

Now it is a PAIN in the BUTT to get SILVERTABS but I still go through the hassle because their is nothing as good as silvertab jeans! They are so comfortable! I also look good in them I think! =)

2 Years ago I hung with him and JENN at the BEER TENT....It was the last time I have drank!!!! I had the chance to thank him again.....And he said, " Joe I hate to tell you bud.....But SilverTab jeans are out! Now it is Lucky Jeans"! lol So he got this grin on his face and started talking smack about SILVERTABS.....lol I was like...Well give me some LUCKY'S..... He did mention another brand that I cant remember....Maybe American EAGLE...nOT SURE! =)

Anyways the night before the veiwing and the night before the funeral I debated with myself and my girlfreind in what way can I HONOR Colin with my silvertabs other than wearing them to the veiwing! I told my girlfreind I wish I could leave a pair of SILVERTABS in with him! But we both agreed that wouldnt go over well! So then I debated with my girlfreind whether I should cut a BUTTON off of one of my SILVERTAB and just drop it in with him..... She said NO and I decided it wouldnt have been a good thing to do..... I asked my girlfreind why people dont drop things in caskets anymore..... Anyways I now kinds wish I would have done it anyways....=)

It was much harder to TYPE this story than what I thought it would be! I have been sitting here crying and laughing and all of the other emotions you can think of.... lol I NEVER forget the awesome thing people do for me....Even the little things.... Like all the hugs I received at the F

“ Dear Ardella, Richard, Ethan and family,

Mere words can't explain how I feel. Since 1995 you have made me feel more like a daughter than a daughter-in-law. I love you and respect you so much. I first met Colin in June of 1995. He cracked me up, ever the jokester. He would ask you anything, no matter how personal, how hard the question and look you straight in the eye! I loved that about him, his curiosity about everything.

He took my good natured picking on him when he went through his tattoo and piercing phase without batting an eye! I loved listening to him and his brothers argue about everything. It was always in good fun and their love for one another was evident.....most of the time!

Then came Ethan. I believe that his son's birth was a turning point in his life. He always talked about smart Ethan is and how much he loved him.

We may not have always agreed with Colin on many issues, but we always loved him! There was no one like him in this world nor will there every be. I am so grateful to have known him and loved him. He would always answer his phone when I called, "Hey sis". I will miss that! The boys will miss their Uncle "Conin".

Please know that I am always here for you if you need me in the days to come. I am praying each day for God's peace to wash over you all. I love you.

Love,

Kimberlyn

“ I mistook Colin the first few times I was around him. I thought he was kind of mean spirited and didn't like me. After I got to know the Moriarity's a little better, I realized that Colin wouldn't have been treating me like that if he didn't like me. It is kind of their thing to poke fun (be a smart ***) to the people they like/love in their lives. Even though some people took his banter as an insult, I took it as a gesture of acceptance. I will truly miss Colin, and he will always live in my heart and mind as a brother....

“ Dear Colin,

We are saddened by your passing but will have so many fond memories of family get togethers by the pool. Listening to you four brothers friendly arguing about any and everything! Also about which one of Rodney's brothers was my favorite! Just know how much Rodney, myself, Nick, Rodney Jr and Aaron will miss you! Every time we see Ethan, we will be reminded of you. Love you, "Conin"!!
