“ *The CHS class of 1972 will miss Dan at our 50th reunion. I recently traveled to the Dakotas, visited Sturgis and the motorcycle museum. It was something to see. I can certainly understand his passion. Rest in peace Dan,*

“ *Dan was a close friend for 50 yrs. We worked together at Universal Electric in Owosso, Mi. where he earned his journeyman's card in tool and dye. An excellent machinist & bike builder were his passions. His bikes were featured in magazines and he took 2nd place in antique class in 1991 with a 1948 Indian Chief at the world's famous " Rats Hole Bike Show held each year at Sturgis Bike Week in S. Dakota. We rode many miles together on our Harley's and the bikes would change over the years our friendship remained constant. Dan was a mentor and friend and I will miss him badly. We will ride together again someday. My deepest sympathies to the family.*
