“ I cannot remember a time when I didn't know Danielle. So many childhood memories of mine have her in them. Jumping on trampolines, family vacations, watching scary movies then trying to walk to each others houses in the dark, and most of all her laugh. She had one of the best laughs I have ever heard. I regret losing touch with her over the years but never did I or will I forget her. Prayers of comfort and peace to her family.

“ Danielle and I shared a lot of great times together growing up, but as life goes down different paths...we fell out of touch...but I will remember all the wonderful days we spent together...from grade school to high school....from frying pepperoni and dipping them in hot sauce... to playing sports... to putting our hair in hot rollers (oh, my...the 80's/90's hair)....those were the days....she will be missed.... in our thoughts and prayers.... “ Gloria, Dan, Matt & family, I am so sorry to hear about Danielle . The first thing I thought of was how Angie & Danielle celebrated their birthdays together and were so happy doing this. Every time I would see Danielle in the stores in Huntington she always had that beautiful smile and always gave me a hug and told me to tell Angie hi. Your family is in my thoughts and prayers at this difficult time. God Bless Carol (Spencer) Bennett

“ We were so sorry to hear about Danielle. Every time Larry passed by the house on his walk she would say, "Hi, Larry.... beautiful day" (even though it was sometimes raining!) Larry will miss that. We both had a nice chat with her on Grandparents Day on the playground at school. She seemed to be really enjoying the children. Please know that you are in our thoughts and prayers at this difficult time.

*With our deepest sympathy,*
