“ Lisa, I am so sorry for you and your family's loss. I remember when you and Mo would come up to the house with the kids. Before I came in the house from work I could hear all of you laughing and having a good time. She was such a cute little girl. I think she was about 9 at the time. What a beautiful lady she grew up to be. You have my deepest sympathy. Love you with all my heart. Connie

“ I had the wonderful privilege of working with Darlene for many years at Britton Marketing. She was just the loveliest person, so kind and always positive. As Lori mentioned, her love for her daughters, grandchildren and family was so evident – her greatest joy. You are in our hearts and prayers, now, as we know she will be deeply missed. May your memories of her beautiful smile continue to warm your hearts.
