Darren E. Case, 55, of Wabash, and formally of Huntington, IN passed away at 9:59 am Sunday, March 5, 2023, at Parkview Regional Medical Center in Fort Wayne, IN after a short illness.

“ I cannot believe you are gone! You were like a brother to Mark! We enjoyed having you around sooo much! Our dogs loved you. You were like the dog whisperer. Moira would always give you hugs when you came over. Even Bailey got excited to see you.

You were a joy to work with. We called you the Ninja because we never saw you come in, you would clock in and go straight to the back and get started working. We would have to ask ...hey has anybody seen Dar? Nope. So we would call to the back and sure enough you were back there working already.

You were always good for a lot laughs. I remember one day you had these goofy looking contact looking things you put in your eyes to make them look super weird and you convinced one of the girls you had a severe eye disease. She believed you and thought you were going to go blind ...you never told her any different. 😂

We are going to miss you so much my sweet dear friend! We love you! Every time I hear thunder now I will just think it's you up there playing your heart out on your drums! RIP Dar until we meet again!

“ A few years ago when I was able to travel. Darren knowing how much I loved the band Kiss threw me a drumstick at a Syn concert. After the show he told me he could not find the other one. A couple years later we were in Indiana to watch another show and hang out with our cousins. After the show Dar gave me the matching Kiss drumstick. I will always love him but this occasion makes it more special now than ever.
