“ My condolences go out to the family. I have many good and most times, humorous memories of Dave. We kind of grew up together as close neighbors near Stone Lake area for a few years and went to the same high school. I remember him in Boy Scouts with my brother, Ron. Seems they were always having a good time. Dave was always very friendly and quick with a smile. I know he will be missed.

“ Dave's departure seems too soon by our timeline. We know he will forever be cherished in your hearts as the irreplaceable husband, father, and grandfather he is. We wished to be at his service today, to share your loss and honor the gift of his life, but were unable due to illness. May God be your all-knowing wise and gentle comforter.

P.S. By way of connection, Dave and I (Birdie) were born in the same town and both attended Westview Jr/Sr High School. I didn't know him at the time, but enjoyed making this connection while attending Huntington Nazarene together.

“ *One of my favorite memories of Dave was when he was in a play at
Westview High School. I don't remember the name of the play, but it
was a western. He was playing a drunk in the tavern. He and his
sidekick absolutely stole the show. It was so fun to watch. Dave's
always been very good-natured and fun-loving. I am glad he's in
heaven with Jesus and we have that hope of seeing him again, but
know he will be missed by so many.*
