“ What can i say about Dennis. He was such a sweetheart that loved so many. And so many loved him. If he disliked you then there was a very good reason for that. He was such a sweetheart that always carried his heart on his sleeve. YOU WILL BE SO MISSED BY SO MANY.

“ I met Dennis through Joyce. Joyce and I worked together and we talk at night for several months, having not met Dennis. There came a time when we were doing some overtime on the weekend and decided that we were going to go for margaritas. She called Dennis to let him know. Anyone that knows Dennis knows that he liked a margarita, so he immediately said he would meet us there, and drove from Huntington to Fort Wayne to have a margarita with Joyce and I, and we have been friends ever since.
