“ DeWayne was truly loved. He will always be remembered for his ornery smile and twinkle in his eye that made you wonder what he was thinking and for his two helping hands that were always ready to help a needy soul who had something to be fixed or a project to be built. The fish on earth can breath a sigh of relief but the ones in Heaven better be on the lookout for Dewie! !! We couldn't of asked for a greather brother in law and we are going to miss him so very much.##imported-begin##Kathleen and John Rakoczy and Family##imported-end##
