“ I went to school with Dexter, he was always kind and polite, seemed rather shy to me and softspoken, always friendly to everyone, and those are the memories I have, he was truly a nice classmate during high school.

“ *It always seemed funny that Dexter was my half uncle when we were about the same age! When we were younger we would go to their house and play games under the street light, Dexter me and my brother and sisters!! Last year I wanted to see him again and was able to find him and visit with him! Dexter was my Mom's half brother! He will be missed!*
