What a beautiful tribute to Dixie, by her family. Celebration of life. May God be with the whole family. I knew several members through the years, through church, through her mother's business, as well as nephews, great niece through preschool. Prayers lifted in your behalf. Loss is never easy, but to celebrate the happiness she shared and brought to others says that her life mattered so immensely.

“ I first met Dixie when she helped her mother with Home Interior Parties. Many years later I worked in the same office with Dixie. Her work ethic was exceptional. She was so respected by her coworkers and patients. My prayers are with her husband Mark and family. You will be missed and will always have a special place in our hearts.

“ You will be missed Dixie! You were so much fun to work with and my dear friend. You were quick to smile and your problem solving capabilities were astonishing. There was nothing you could not figure out. I learned so much from you. You cared deeply about our patients, staff, and practice. Your leadership at our eye group had such a positive impact on our community. I will miss our muffin swaps! Rest in peace, dear friend!

“ I was Dixie's assistant at the Eye Center for over 20 years. She was
the backbone of the surgery center. She was an amazing nurse and
took great care of the patients, and she also had an in-depth
knowledge of all the equipment and kept everything running
smoothly. There wasn't anything she couldn't do. She always made
me feel appreciated, too. My thoughts and prayers are with Mark
and all the family.

“ *Such a beautiful smile and personality. Dixie cared for her patients and coworkers. Always approachable, a wonderful sense of humor, great at solving issues and thinking outside of the box with solutions. Health care workers wanted to work on a Dixie team. We had fun, were efficient and provided excellent patient care. What a special nurse, manager, person and a privilege to work with her.*

“ Dixie had the meanest side armed volleyball serve around. Playing volleyball on the eye group team with her was so much fun. I so wish you had more time in retirement. You were glowing when i saw you with your Dad a month ago. Although you retired last summer you were and always will be an essential part of the eye group foundation and family. With your loss our foundation has taken a hit for sure. I spent time in my garden yesterday and couldnt help thinking of you and the talks we would share about oir gardens.
Rest in peace Dixie

Dixie always greeted me with a smile and a hug from the first time I met her when our family moved to Indiana to the last day she worked in Marion. You promised me a visit to Arizona but it was not meant to be. You will be missed Dixie. My heart is broken. Rest In Peace to watch over your beautiful family. So sorry for your loss Mark and family. You are in my prayers.
