“ I am sorry for your loss.  
Your Mom always was so kind to us kids as we played.  
Her offer of popcicles after we came back from exploring the adventures along the river and those old buses behind Campbells grocery, were quite the treat.  
Sigh...she did seem to have a pretty good intutuion on us, particularly as I remember being out a bit late during my teen years, and letting us know that SHE knew. =-)

*Thank you for caring, Dollie.*
