“ I had the pleasure and privilege getting to know Don since early 2000's from the insurance & bank business. I was always tickled when Don would call ME with a question or two! He was someone special, honest & true, and I know he cared for people more than most. I know he spent countless hours and money out of his pocket to help veterans around the area get care they needed! We've lost a good man and friend and will be missed! Angela, you and your family are in my thoughts & prayers!

“ Angie and Don's family--
I did not know him well, but in late 90's and early 00's he helped me with some financial issues when he was at the Bank. He was a good guy and I considered him a friend even though our only contact was professionally. Don Garner was genuine and caring--and sincere. I am thankful that God saw fit to put us together albeit for a short while.
I know he will be missed by all of you--my sympathy goes out to you.
